Programa de Pós-Graduação em Clima e Ambiente

Legenda:

Prec_{24h} – precipitação acumulada

T_{méd} – temperatura média do ar

T_{min} – temperatura mínima do ar

T_{máx} – temperatura máxima do ar

UR – umidade relativa média do ar

Vel_{vento} – velocidade média do vento

R_a – radiação solar extraterrestre

US₁₀ – umidade média do solo na profundidade de 10 cm

US₃₀ – umidade média do solo na profundidade de 30 cm

Evap. – evapotranspiração

T_o – temperatura do ponto de orvalho
